PROFESSIONAL SUMMARY

Data Analyst with a B.A. in Mathematics from UC Santa Barbara and Google Data Analytics certification. Data analytics coursework, bootcamp instruction, and independent projects. End-to-end analytics experience spanning SQL querying, spreadsheet proficiency, R statistical analysis, Power Query ETL, and interactive dashboard design in Tableau and Power BI. Proven ability to transform complex datasets into actionable business insights across e-commerce, finance, healthcare, and retail domains.

TECHNICAL SKILLS

SQL & Databases: BigQuery, MySQL, Selecting, Filtering, Operators, Strings, Dates, Ints/Doubles, Sorting, Limits, Grouping, Aggregations, Joins, Subqueries, Case Statements, CTEs, Window Functions, DDL, DML

Spreadsheets: Excel, Google Sheets, Formulas, Data Cleaning, Lookups, Pivot Tables, Charts, Slicers, Filtering, Formatting, Conditional Formatting, Relative/Absolute Cell Referencing, Aggregation Functions, Data Type Management, Date Functions, String Functions, Conditional Functions, Logical Functions, Power Query

Visualization & BI: Tableau (Calculated Fields, KPI Cards, Filters, Charts, Graphs, Maps), Power BI (DAX, Star Schema, Power Query), Excel Dashboards, KPI Design, Data Storytelling

Programming: R (tidyverse, janitor, ggplot2), Jupyter Notebooks, RStudio, Git/GitHub

DATA ANALYTICS PROJECTS

E-Commerce Revenue & Returns Analysis | BigQuery, SQL

- Queried 100K+ transactions using advanced SQL (CTEs, window functions, multi-table joins) to identify revenue drivers, profit concentration, and return-risk patterns across products, brands, and customer segments; surfaced top 10% of SKUs driving 60% of total revenue

Superstore Sales Dashboard & Profitability Analysis | Excel, Power Query

- Built end-to-end Power Query ETL pipeline and profit-oriented executive dashboard with connected slicers tracking \$2.3M revenue across 5 analyses (trends, product mix, regional efficiency, segments, returns impact); enabled drill-down by sub-category and region

Marketplace Ops & Customer Experience Dashboard | Tableau, Statistical Analysis

- Designed Tableau dashboards analyzing 95K+ orders across delivery performance, revenue trends, and customer satisfaction; identified -0.65 correlation between delivery time and reviews, with late deliveries causing 40% lower ratings

CDC Chronic Disease Analytics | Power BI, DAX, Star Schema Modeling

- Designed star schema data model (1 fact, 4 dimensions) from raw CDC data spanning 9 disease topics and 52 locations; developed 10 DAX measures including YoY time intelligence, RANKX rankings, and demographic disparity ratios

Portfolio Performance & Risk Analysis | Python, pandas, statsmodels, scikit-learn

- Analyzed 10 years of daily market data (15K+ records) across 6 assets; computed Sharpe ratios, max drawdown, rolling correlations, ARIMA forecasting, and quantified 35% volatility reduction via diversification

A/B Testing & Experimentation Analysis | R, tidyverse, infer, ggplot2

- Executed end-to-end A/B test on 10K-user SaaS experiment using Z-test, bootstrap, and permutation inference; detected +1.33pp conversion lift ($p=0.032$) with power analysis and guardrail monitoring

PROFESSIONAL EXPERIENCE

Mathematics Tutor

Mr. J's Academy, Wyzant, Blue Train College Prep, Private Tutor, Kumon, UCSB Ed. Pre-Professional
Los Angeles, CA | 2016 – Jun 2025

- Delivered 1,500+ hours of math instruction to 150+ students, maintaining 4.8/5.0 rating; analyzed student performance data to adapt strategies, earning several client retention requests for tutoring services

Assistant Lab Technician

Escape Communications | Carson, CA | Summers 2017 – 2023

- Used Excel to verify and record calibration measurements for 30+ DC power supplies successfully each year before company audit deadline; used Excel and Pdyn to track part inventories; used company software to test product boards

EDUCATION

B.A. in Mathematics (Minor: Secondary Science & Math Education) | GPA: 3.4

University of California, Santa Barbara | 2023

Single Subject Teaching Credential Coursework (Mathematics) | GPA: 4.0

California State University, Long Beach | 2024 – 2025

CERTIFICATIONS

Google Data Analytics Professional Certificate – Coursera | 2025
